Indian Concrete Institute

Bengaluru Centre, Karnataka, India.

1-DAY SEMINAR ON

TILE ADHESIVES, GROUTS, READY MIX MORTARS

(Products, Systems and applications)

4th December 2026, Friday

9.00 AM to 6.00 PM

Grand Ballroom, The Chancery Pavilion
135, Residency Road, Bengaluru-560025.

No. 2, UVCE Alumni Association Building, Dr. B R Ambedkar Veedhi, K.R. Circle, Bangalore - 560001.
Phone : 080-22224803 | Mobile no: +91 9141432509 Email id: ici.benc@gmail.com
Website: www.icikbc.org | www.indianconcreteinstitute.org

TILE ADHESIVES, GROUTING SYSTEMS & APPLICATIONS:

Technology Selection Application Performance: The construction industry is witnessing rapid developments in tile sizes, substrates, installation systems and finishing materials. With the increasing use of large-format tiles, vitrified tiles and advanced surface finishes, the correct selection and application of tile adhesives and grouting systems has become increasingly important for achieving durable, high-quality and aesthetically pleasing finishes. Grouts and Ready mix mortars are products find extensive usage in today's fast track construction requirements. At places where water is scarce, ready mix mortar with curing agents avoid traditional curing. These products are sustainable and help the construction industry in achieving sustainable goals.

This One-Day Technical Seminar, organised by the Indian Concrete Institute – Bengaluru Centre, is designed specifically for Civil Engineers, Architects, Consultants, Project Professionals and Construction Industry Practitioners.

The seminar will provide a practical and technical understanding of tile adhesive technologies, substrate preparation, adhesive selection, application methods, grouting systems, joint detailing, waterproofing interfaces and common tile installation failures.

Through expert technical sessions, practical demonstrations, case studies and industry interaction, participants will gain valuable insights into selecting the right materials and installation systems for different project requirements.

The programme will also provide a platform for leading tile adhesive and construction material manufacturers to showcase their latest technologies, solutions and innovations, and interact directly with practicing engineers and consultants.

Key Themes

* Tile Adhesive Technology & Classification * Selection of Adhesive for Different Tiles & Substrates
* Large-Format Tile Installation *Grouting Technologies & Applications
* Surface Preparation & Installation Practices * Waterproofing and Tiling Interface
* Common Tile Failures & Troubleshooting * Quality Control and Site Practices
* Latest Industry Technologies & Solutions * Case Studies and Live Demonstrations
* Micro top floors. Ready mix mortars.

Who Should Attend?

Civil Engineers | Architects | Consultants | Project Managers | Contractors | QA/QC Professionals | Developers | Site Engineers | Construction Professionals I A Technical Platform for Knowledge, Innovation & Industry Interaction I Learn the Technology Understand the Application Solve Site Problems Connect with Industry I TILES ARE ONLY AS GOOD AS THE SYSTEM BEHIND THEM. Discover the Science of Adhesives, Grouting & Installation.

In alignment with its mission to advance technical knowledge and professional excellence in the construction industry, the Indian Concrete Institute (ICI) – Bengaluru Centre is pleased to announce a one-day national seminar on **"TILE ADHESIVES, GROUTS, READYMIX MORTARS" is scheduled for 4th December 2026.** This seminar aims to bring together Industry professionals, Engineers, Architects, industry experts, Researchers/Innovators and academicians to share insights, explore innovations, and discuss best practices in the field. This is a not-to-be-missed opportunity to get to know from Experts and sharing of expenses. This is a good avenue for professional networking as well.

DELEGATE REGISTRATION FEES: (PAYMENTS ARE INCLUDING GST @ 18 %)

Registration fees includes:- Delegate kit, Coffee/Tea, Working lunch, E-Certificates of Participation (Sent to registered email id)

Sl. No.	Category	Delegate Fee (₹)	GST @ 18% (₹)	Total Fee (₹)
1.	☐ Members of ICI	2,500	450/-	**2,950/-**
2.	☐ Non-ICI Members / Delegates	2,500 + 500*	540/-	**3,540/-**
3.	☐ ICI Student Member	1,500	270/-	**1,770/-**
4.	☐ Non-Student Member	1,500 + 250*	315/-	**2,065/-**
***Temporary Membership Fee**				

METHOD OF REGISTRATION:

Step-1: Please make the payment, either by scanning the QR code provided herein below or through online Bank Transfer/ NEFT to the Bank Account mentioned below.

Step-2: After making the payment, please click the google form and enter details asked, including Transaction number.You will receive a confirmation email/message shortly after successful registration.

BECOME A SPONSOR AND SECURE AN EXPERT LECTURE SLOT!

Category	Complimentary Delegate	Brochure in Kit	Intermittent Display on Screen	Presentation slot	Standee Display provision	Eligibility to nominate One Expert Speaker*
Platinum Sponsor ₹ 2.5 Lakhs	5	Yes	Yes	15 min (Live)	3 nos.	Yes
Gold Sponsor ₹ 1.50 Lakhs	3	Yes	Yes	10 min (Pre-recorded)	2 nos.	Yes
Silver Sponsor ₹ 1,00,000/-	2	Yes	Yes	5 min (pre-recorded)	1 no.	No
Supporting organisation ₹ 50,000/-	3	Yes	Yes	2 min (pre-recorded)	1 no.	No

*GST extra. Limited slots. Allocated on a first-come, first-served basis.
Standees to be arranged by sponsors and removed post-event. Presentation durations must be strictly adhered to.

OBJECTIVES :

- Promote growth of concrete construction and its sub-specialization.
- To disseminate information and train personnel by organizing seminars / conferences / workshops.
- Training programs for Fellow Members / Students and Corporate.
- Collaborate with National / International Agencies.
- Identify R & D problems of practical relevance.
- Arrange National and International Workshops, Conferences,Seminars, Deminars' & Exhibitions'
- Arrange Annual Lecture series on selected topics of relevance to Concrete Constructions
- To identify and recognize outstanding construction and outstanding performers in the field of Concrete Technology / Construction.

Important Events & Programs from ICI (BENC)

- **Monthly technical lectures, Endowment Lectures, National Workshops and Conferences**
- **Site visits, factory visits, visits to pertinent places of interest and events.**
- ICI-BENC was the first to organize ICI (Innovative World of Concrete) in 1993, ICI ACECON in 2000.
- ICI-BENGALURU CENTRE is the first among all the centres of ICI to start Concrete Panorama and Deminars (from 2009 till date)
- Training modules on Concrete and Concrete Technology for various organizations and Institutions. These programs are conducted throughout the year to cater for the specific needs of the organizations concerned.
- Knowledge and Experience dissemination outreach to Academia, Students, Researchers, Institutions
